🧑 About Me:

I am a driven and focused software developer with extensive experience in building robust, clean, and scalable applications. Specializing in Django, I also possess strong front-end development skills in Vue.js, React.js, and Next.js. My adaptability to learn new technologies ensures I remain at the forefront of innovation in software engineering. I thrive in collaborative environments where I can utilize my problem-solving skills and technical expertise to deliver high-quality solutions.

🎓 Educations:

Bachelors in Alcohol and drug abuse counselling   May 2005 - May 2020

Kohandazh Institute of Higher Education
